

Dear Fulbright FLTAs,

We at Michigan State University (MSU) are looking forward to welcoming you to East Lansing, Michigan for your orientation from August 5 - 9. (We know that some of you might not have finalized the terms of agreement yet.) The website for the orientation program has been updated (except for some of the menus, which should be confirmed by mid-July.) Please read through all the program details at <https://fltaso.cal.msu.edu/>. When we send emails to the group, we will also add the information to the website under “Communication” and to the Facebook group.

It is very important that we obtain some information from you in the next couple of weeks. We ask that you:

1. Complete the [2019 FLTA Summer Orientation at MSU Basic Survey](#) as soon as possible.
2. We are including a travel information document with this email. Please review it carefully.
3. As soon as you have your travel plans confirmed, complete the [2019 FLTA Summer Orientation at MSU TRAVEL DETAILS](#). We understand that this might take a couple of weeks.
4. Email us (fitamsu@msu.edu) a YouTube link to one popular dance song from your country for the International Dance Party. Most FLTAs choose a popular song that one would frequently hear in a dance club or at parties in your country.
5. Review all of the information on the website: <https://fltaso.cal.msu.edu/>. (We encourage you to watch the video from the [2014 FLTA Summer Orientation](#).)
6. Join the Facebook page (<https://www.facebook.com/groups/FLTASO2019/>). (For those of you in countries where Facebook is inaccessible—don’t worry, we will repeat all important information and instructions in emails and on the website under Communication.)

It is our honor and pleasure to be the host institution for your orientation to the United States. We will do our best to ensure that your stay with us is a pleasant experience, and that you learn a good deal of practical, useful information about adjusting to life in this country and teaching a foreign language to American students. Safe travels!

With our best regards and looking forward to meeting you soon,

Danielle Steider, Matt Kanefsky, Dustin DeFelice, and Mark Albee
